

drugs, drug products and domestic remedies and the places where the same are manufactured, packed, packaged, made, sold, offered for sale, exposed for sale and kept for sale within this state.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That five new sections be, and the same are hereby, added to Article 43 of Bagby's Annotated Code of the Public General Laws of Maryland, Edition of 1924, title "Health," sub-title "Commissioners of Pharmacy," to follow immediately after Section 229 and to be known as Sections 229 (a), 229 (b), 229 (c), 229 (d) and 229 (e), respectively, said new sections to read as follows:

229 (a). There shall be on file at all times in every pharmacy the latest decennial revision of the United States Pharmacopoeia and the latest edition of the National Formulary, and supplements thereto, which books must be open to the inspection of the Maryland Board of Pharmacy and its properly authorized agents or employees. No permit shall be issued or continued for the conduct of a pharmacy until the provisions of this section have been complied with, and any person violating this section shall, upon conviction, be deemed guilty of a misdemeanor and fined not more than ten (\$10) dollars.

229 (b). Every registered pharmacy must be equipped with proper pharmaceutical utensils so that prescriptions can be properly filled and United States Pharmacopoeia and National Formulary preparations properly compounded. The Maryland Board of Pharmacy shall prescribe the minimum of such professional and technical equipment which a pharmacy shall at all times possess. No permit shall be issued or continued for the conduct of a pharmacy until the provisions of this section shall have been complied with, and any person violating this section, shall, upon conviction, be deemed guilty of a misdemeanor and fined not more than fifty (\$50) dollars.

229 (c). No permit shall be issued or continued for the conduct of a pharmacy unless the premises of such pharmacy shall be equipped with proper sanitary appliances and kept in a clean and orderly manner.

229 (d). There shall be kept in every pharmacy or drug store a suitable book or file, in which shall be preserved for a period of not less than five (5) years, every prescription
